

SACRED HEART UNIVERSITY

September 19, 2005

Dear Mike,

Enclosed is \$10 for two books sold, one *Voices of Courage* and one *May I Kiss You?*

Thank you so much for visiting our campus. Your presentation was very well received by the SHU campus; all of the feedback from students and staff so far has been overwhelmingly positive. We really appreciated the perspective you brought to the students and know that it has made an impact. I know of at least one RA who had a freshman come to him and disclose her experience with sexual assault as a result of your program, and many others have said how much they enjoyed your style and your honesty.

Our lecture committee will be talking soon about speakers for next year, and I'm going to recommend that we invite you back. We'll be in touch!

Thanks again. All the best to you and your family.

Best Regards,
