

Dear Mike,

Thank you so much for coming to Treasure Valley Community College and doing your program. You gave TVCC great pointers on making personal relationships better and how to avoid harmful situations. I had many people tell me that they want you back next year and with any luck, we will! You are a great guy and I loved getting an opportunity to know you. I wish you and your family blessings and good luck in all of your future endeavors!!

Thank you,

Stephanie Saut  
Lecture Awareness Coordinator
