Dear Mr. Domitrz,

Thank you very much for coming to speak at the University of Virginia. The feedback that we received was very positive. Our school held a Take Back the Night Rally where victims of rape, or sexual harassment were able to share their stories; there were a number of them mentioned "Can I Kiss You" as one of the reasons why they were able to finally share their stories. Best of luck to everything that you do! You were an inspiration & what you work for is very important.

Thank you again for coming!

Elizabeth Chen.
