Dear Mike,

We would like to thank you for bringing both your Train the Trainers and Can I Kiss You? programs to the University of Wisconsin-Milwaukee. We have seen many Can I Kiss You? shirts and buttons around campus the last few days; it seems the buzz is spreading quickly.

It was admirable how each session you presented was different, covering exactly what the audience wanted to know. The professionals during the first Train the Trainers presentation left with ample knowledge about how to follow up with the residents after the Can I Kiss You? program. During the student leaders session of Train the Trainers, they left with information on how to program and what resources are available to them.

The final Can I Kiss You? event was phenomenal. Filling the room with 200 residents was impressive, especially when covering the topic of sexual assault awareness. There was a rollercoaster of emotions in the room during the presentation, but everyone left ready to take action against sexual assault.

Can I Kiss You? is an incredible program that intrigues everyone from all walks of life. Your inclusiveness and humor during this program is what makes it work as well as it does. Thank you for all that you do; we hope to work with you again in the future!

Sincerely,

The Residential Programs Staff
